

Home Welcome to Nayee Asha. Nayee Asha is a beacon of hope, working relentlessly for the upliftment of Mahadalit families in Bihar and Uttar Pradesh since 2002. Our mission is to empower the most marginalized through education, health, livelihood, women empowerment, clean water, sanitation, and awareness programs. We stand by every individual, championing dignity, opportunity, and equality.

About Us Founded by Dr. Bhim Singh Bhavesh, Nayee Asha was born out of a passion to uplift communities pushed to the margins of society. Registered in 2004 under the Societies Registration Act 21,1860, we began with a humble awareness camp at Jawahar Tola, Bhojpur. Today, we are a network of 650+ volunteers, with over 350 impactful projects and more than 2,500 empowered individuals.

People Behind Us

Founder Dr. Bhim Singh Bhavesh, the visionary behind Nayee Asha, has devoted his life to social service. His tireless efforts have inspired hundreds to join the cause of dignity, equality, and justice.

Campaigns

- **Nanhe Kadam:** In Musahar communities, where literacy is under 5%, this campaign provides early childhood learning support, community libraries, and mobile schools. Over 1,200 children have taken their first academic steps through this initiative.
- **Setu Kendra:** These are one-stop resource centers for the poor—offering access to welfare schemes, vocational training, and digital literacy. Operated by trained community volunteers, they bridge the information divide.
- **Smiling Teeth:** Through regular school visits, free toothbrush kits, and workshops, we teach children how to care for their oral hygiene. Over 3,000 children now smile brighter and healthier.
- **Thread and Thought:** Focused on stitching skills, this campaign helps girls and women gain tailoring and embroidery training. Many have now started micro-enterprises or gained employment.
- **Haqq and Pension:** We help the elderly, widows, and the differently abled to apply for and receive their government pensions. So far, more than 800 people have successfully accessed their rightful entitlements.
- **Pehchaan Ka Safar:** This campaign ensures identity for the undocumented through support in getting Aadhaar cards, ration cards, and other official IDs. Identity is the first step to empowerment.
- **Sakshar Nari Abhiyaan:** Literacy for women is our mission here. From adult education classes to mobile learning vans, this campaign has lit the path of knowledge for more than 2,500 women.
- **Chhote Kadam Badi Duniya:** Lack of proper footwear should not stop a child from attending school. We distribute durable shoes to children in need, helping them walk confidently toward a brighter future.
